Prolegomena to the Will Work
aka Rules of Engagement

1. No one can remove anything except: Will, Quinton, Kelly, or Connie.
2. Anyone above freshman level mentor can add stuff (Cor and above). Minnows can give stuff to Cor folk to submit.
3. If someone wants something removed, because of personal disclosures they don't want public, any of the four above can remove it. **But they must** notify the other three immediately.
4. We are using everyone's real names now. We will probably change them all to fictitious ones at the end when we are ready to submit for publication.
5. **Any** material from a source other than yourself MUST be cited! Give author, title, date of publication, **and page numbers**. Please! We can't publish anything already copyrighted, but we can rewrite and cite it. Any juicy quotes from somewhere else- **please** give source.
6. Final editing will, if karma smiles, be done by Deanna, Connie, and Kelly. But that's far in the future. Don't worry about it.
7. We are at Stage 2- Compiling materials. Much sorting, editing, rewriting, etc. will be done later. Don't squawk about it!
8. Don't waste people's time posting frivolous comments about chapters. Write the silly stuff to Connie, Will, Quinton, and Kelly separately. Posting helpful comments to Input Section (wiki) will be really useful!

Order of Work

1. Brainstorming and preliminary organizing of the table of contents.
2. Compiling journals, workbook exercises, other goodies to be cited, used, paraphrased, or rewritten. Gathering contributions and ideas from everyone!
3. Rewrite copyrighted material; writing primary materials for chapters; getting contributions from anyone else
4. Cut out stuff we don't need; organize quoted materials
5. Main editors will start smoothing chapters.
6. Permission signatures from everyone cited will be gathered and collated.
7. Final edits! :)
